++ Valid for broadcast between 1800 and 0600

Headline:
Mostly dry. North cloudier. Winds light.

This Evening and Tonight:
Rather cloudy skies from Inverness to Ullapool and northwards, while clear spells across the south combine with the light winds to bring a widespread frost come dawn. Minimum temperature -4 deg C (25 deg F).

Monday:
Rather cloudy around Inverness, also later in far Northwest, perhaps with a few light drizzly showers cropping up. However most dry with sunny spells widespread in the south. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday brings a mix of brighter spells and a few light coastal showers. Easterly winds freshening Thursday with showers later, wintery on high ground.
